

LINEMAN APPRENTICE

The City of Starke is accepting applications for Lineman Apprentice in the Electric Department. This is apprentice level electrical work leading to journeyman level duties in the construction maintenance and repair of overhead and underground distribution lines and equipment. Must be able to work at extreme heights safely. Will be subject to work in adverse weather conditions. Will be required to work after hours as needed. Minimum requirements are as follows: knowledge of the methods, materials, tools and equipment used in electric line work. Knowledge of occupational hazards and proper safety precautions. Ability to understand and follow oral and written instructions quickly and accurately. Ability to meet physical requirements necessary for climbing poles and performing manual tasks in the line of work. Must have a Florida Commercial Drivers' License (Class B). If hired, you will need to sign an agreement agreeing to continue employment with the City of Starke for three (3) years after completing your final lineman certification. A complete listing of qualifications and benefits may be found at www.cityofstarke.org. Pay will be dependent on qualifications in a range of \$15-19 per hour. Some of the employee benefits include retirement and ample personal leave time. The City of Starke pays 100% of employee only health insurance. This position is opened until filled. The City of Starke is an Equal Opportunity Employer.
