

Request for Proposals
FRDAP Engineering Services

The City of Starke, Florida, has been awarded funding from the FFY 2016-2017 Florida Recreational Development Assistance Program (FRDAP) to fund recreational opportunities for individuals with unique abilities. Proposals from qualified individuals or firms are requested to provide consulting engineering services for FRDAP funded park improvements. Engineering services will include project design, inspection and construction contract management. Interested parties should send a FAX to the City of Starke at Fax Number 904-964-3998 (or email at: Rthompson@cityofstarke.org) to request a copy of the RFP. Please submit to the City of Starke one original proposal and five (copies) sealed in an envelope with "Response to RFP#FRDAP – ENG-FFY 2017" written on the outside of the envelope no later than 3:00 P.M. on the following date: October 23, 2017. The City of Starke is located at 209 N. Thompson Street (P.O. Drawer C), Starke, FL 32091.
